

“problems can only be avoided
by exercising **good judgment.**
good judgment can only
be gained by **experiencing**
life’s problems.”

-The Gift of Problems

Ask an older member of your family to share their “story” using this Words of Wisdom card provided by Once Upon A Family®. What have they learned from the obstacles and struggles in their life? How have those lessons changed what they do or how they think about things? You will find that the person you ask will be happy to respond and honored to share their own wisdom with you. Your gift is in the asking.
